3. Terms of Sale

By placing an order you are offering to purchase an item on and subject to the Terms and Conditions. All orders are subject to availability and confirmation of the order price.

3.1 Eligibility to order

To place an order with Comodo International B.V. you must be at least 16 years old, be a consumer (not a reseller) and possess a valid credit or debit card issued by a bank acceptable to us. When placing an order you undertake that all details you provide to us are true and accurate.

3.2 Order confirmation

When you place an order on our Website, we will send you an order confirmation email. Please note that the confirmation email is an acknowledgement that we have received your order, but it is not an acceptance of your order.

3.3 Acceptance and shipping confirmation

All orders placed by you are subject to acceptance by us. Once the order has been processed, a shipping confirmation email will be sent with all relevant information about your order. The shipping confirmation is our acceptance of your order.

3.4 Right to reject

We may, at our discretion, choose not to accept your order for any reason without any liability to you. Examples of when we may not accept your order include (but not limited to):

1. The product ordered is unavailable from stock;
2. Our inability to obtain authorisation of payment;
3. The identification of an error within the product information, including price or promotion;
4. If we suspect any fraudulent activity;
5. If shipping restrictions may apply to a product.

If we are unable to deliver within accordance to the terms in the confirmation, we will contact you and give you the opportunity to cancel the order. If we have already received payment, we will refund you the amount.

3.5 Quality of products

We aim to describe the item(s) on the Website as correctly as possible. However, as a result of different image acquisition, display technologies or other technical reasons, minor differences in colour and other variations in

item(s) are possible. Comodo International B.V. cannot be held responsible for any such discrepancy.

4. Price and payments

4.1 Price

The prices shown on the Website include Dutch VAT of 21%. Prices are quoted in Euro (EUR) and do not include service, payment or delivery.

The prices shown on the Website may vary from time to time. Comodo International B.V. is not bound by the price until Comodo International B.V. has accepted the order by sending the shipping confirmation to you. Comodo International B.V. reserves the right to change, limit or terminate any special offers or discounts at any time.

4.2. Price changes

We always try and ensure that all prices on the Website are accurate, however errors may occur. If we discover an error in the price of any item(s) which you have ordered, we will notify you by email about the price change and give you the option to reconfirm your order at the correct price or cancel the order. If we are unable to contact you, your order will be cancelled. We are not able to compensate price differences with placing orders or returns.

4.3. Limited Edition and Pre-order

Items eligible for pre-order or “labeled” limited edition are falling into a specific pricing regulation. Those items are not eligible for any sort of discount or sale. Therefore, if you have received a discount code from Comodo International B.V. it is not valid for those specific products. It is currently not possible to apply a discount on any “regular” item if the cart contains a pre-order/limited edition product. Please place a different order if you’d like to apply your discount on the related item.

When pre-ordering a product, a shipping date will be communicated on the product page and on your confirmation email. That date is given as indicative and may be subject to change after your order has been processed. We will be doing everything in our power to meet that date, but major events could affect the shipment and/or delivery. In such case, please note that our team will inform you as soon as we would be aware of any delay or issue related with your order/shipment.

When ordering an item eligible for pre-order and an item on current stock, your order will be split into two different shipment: the first shipment for the item in stock will be processed right away and a second, for the pre-ordered item, will be processed when the product will be released on our side. There will be no extra cost for shipping the products. The shipping costs apply as a normal order, please refer to "[shipping information](#)" for details.

4.4 Payments

We accept payments with iDeal, Visa, MasterCard, Paypal and Bankcontact/Mister Cash.

When paying by card you will be asked for the card number, its period of validity and the CVC code. We make use of MasterCard SecureCode and SSL encryption, which prevent unauthorised access to card details. We do not store card numbers after the transaction has been completed. For more information you can take a look at our Privacy Policy.

All credit/debit cardholders are subject to validation checks and authorisation by the card issuer. If the issuer of your payment card refuses to, or does not for any reason, authorise payment, then you will be notified immediately at the check out.

4.5 Tax

Please note that local charges (customs duty, sales tax) may apply, depending on your region and local customs duties. The charges are at your own expense.

5. Newsletter Subscription

5.1 Registration

The registration takes place via the dedicated pop up on the Comodo website or the footer subscription box. Once your email address entered, you will receive a confirmation email.

6. Delivery

6.1 Shipping details

Shipping rates are applied per order. The exact shipping rates depend on the country to which your order is being delivered and the total amount of the order. All packages have a tracking number so the package can be tracked. This tracking number will be shared in the shipping confirmation email.

In case shipping details are not complete and/or correct given by the customer or the package is refused, return shipping cost and handling fee will be charged to the customer. The fee vary depending on shipping location. Shipping fees will apply for resending the package to the updated address. If you have entered incorrect shipping details, please contact our customer service team at service@comodoshirts.com.

6.2 Delivery time

We aim to deliver your order in Europe within 3-5 working days. For all countries outside Europe we aim to deliver within 5-10 business days. Please note that we are not held responsible for any delays resulting from postal delays.

7. Return

7.1 Right of withdrawal

You have the right to withdrawal within 14 days. To exercise this right, send us a written request per email. Because we start to process your order as soon as it is submitted, we might not be able to prevent the shipment. Exceptions can be made only if we haven't send you the shipping confirmation yet, so please contact us if you would like to cancel your order to see if there is a possibility to cancel.

7.2 Right of return

You have the right to return purchased items within 30 days, without giving any reason. To exercise this right, use the Return Form that you can find on our website on the page 'Returns'.

All original packaging with pricing, labels and hangtags must be intact. No tape is to be attached to the product or the item(s) packaging. All item(s) must be returned in a box to protect their form. Returns that do not meet our policy will not be accepted and we may charge you for the shipping costs in case we have to send you back the item(s).

For any questions about your order, return or the Return Form, please contact us via service@comodoshirts.com.

7.3 Refund information

All reimbursements will be paid within 30 days from the date we receive the returned product(s). We will reimburse you using the same method of payment that you used to make the original transaction, unless we arrange a different method with you; you will not be charged any fees for such repayments under any circumstances.

The shipping fee you may have paid with your order is non-refundable, unless you received a wrong or a damaged item.
